

Patterson Centennial Mural

Dear Friends of Patterson,

My name is Colton Dennis and I am acting as the Centennial Mural coordinator on behalf of the Patterson Centennial Committee. As you may know, we have a beautiful mural designed by Eileen Butcher that will be painted on the south wall of US Bank to commemorate our centennial this year. The plan is to celebrate the 4th of July weekend, in part by revealing the new mural, and, possibly, to kick off a new public arts project to help beautify our downtown core with future art to be viewed and enjoyed by the public for generations to come. However, none of this can be done without your generosity and support!

My goal is to raise at least \$5,000 to pay for costs of making this endeavor a reality, as well as, keeping it maintained for generations to come. There are four types of sponsorships (each is described in the attached form). All sponsor's names will be printed on the Donor's Plaque.

If you would like to help us out with your contribution, please fill out the appropriate form and send it with your check.

Make checks payable to:

Patterson Centennial Committee
c/o 26 N. 3rd Street
Patterson, CA 95363

Please return your completed form and check by April 30, 2009, to the address above. Also, please, note on your check that it is for the Mural.

Thank you for your time and support of the Centennial Mural. Your support will make the mural and future public arts a success!

Sincerely,

Colton Dennis
